Dear Md

Thank you for submitting your low risk application to the Human Research Ethics Committee for the research proposal titled “Human Augmentation for Rhythm Skill Acquisition in Elite Sport”.

I am pleased to advise that this application has been reviewed and approved.

Please note that this approval is subject to the incorporation of the amendments you have provided in your email of 12th November 2025.

With best wishes for your project.

Yours sincerely

Dr Jacinta Cording
Chair, Human Research Ethics Committee
